## To whom it may concern

Empower was contracted by SOMELEC (the Mauritanian Power Company) to construct and commission a 36MW electrical power plant in Nouakchott. To assist in the commissioning, Empower sub-contracted certain work to Das Enerji Sistemleri San. VE TIC. Ltd. STI (DAS). DAS was engaged in the placement and alignment of 9 MAN 18V28/32S generators and supervised the commissioning of these generators, 9 oil separators, 6 fuel separators, and 3 booster pump units.

Yours faithfully

J. McConnell

Vice President, Engineering & Construction
